

The Chameleon (Paperback)

By Samuel Fisher

Salt Publishing, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. John is infinite. He can become any book, any combination of words - every thought, act and expression that has ever been, or ever will be, written. Now 800 years old, John wants to tell his story. Looking back over his life, from its beginnings with a medieval anchoress to his current lodgings beside the deathbed of a Cold War spy, John pieces together his tale: the love that held him together and, in particular, the reasons for a murder that took place in Moscow fifty years earlier, which set in train a shattering series of events. Samuel Fisher's debut, *The Chameleon* is a love story about books like no other, weaving texts and lives in a family tale that leads the reader on an extraordinary historical journey, a journey of words as much as of places, and a gripping romance.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

It is in a single of the most popular publications. Sure, it really is engaging, still an interesting and amazing literature. Your life period will be changed the instant you finish reading this book.
