Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Alphonse Daudet (13 May 1840 - 16 December 1897) was a French novelist. He was the father of writers Leon Daudet and Lucien Daudet. Daudet was born in Nimes, France His family, on both sides, belonged to the bourgeoisie. The father, Vincent Daudet, was a silk manufacturer - a man dogged through life by misfortune and failure. Alphonse, amid much truancy, had a depressing boyhood. In 1856 he left Lyon, where his schooldays had been mainly spent, and began his career as a schoolteacher at Ales, Gard, in the south of France. The position proved to be intolerable and Daudet said later that for months after leaving Ales he would wake with horror, thinking he was still among his unruly pupils. On 1 November 1857, he abandoned teaching and took refuge with his brother Ernest Daudet, only some three years his senior, who was trying, and thereto soberly, to make a living as a journalist in Paris. Alphonse took to writing, and his poems were collected into a small volume, *Les Amoureuses* (1858), which met with a fair reception. He obtained employment on *Le Figaro*, then under Cartier de Villemessant's energetic editorship, wrote two or three plays, and began to be recognized, among those interested in literature, as possessing individuality and promise. Morny, Napoleon III's all-powerful minister, appointed him to be one of his secretaries - a post which he held till Morny's death in 1865 - and showed Daudet no small kindness. Daudet had put his foot on the road to fortune.
