Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.

Marina Black, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Mona Gallo finds herself accidentally pregnant, the life she worked so hard to build begins crumbling around her. Although she's determined to raise the baby on her own, she finds herself inexplicably drawn to her sexy boss despite his rakish ways. Maybe it's just hormones but Mona can't seem to help herself when it comes to Reno. She should know better, of course. She's been a stripper for half her life and seen first hand how letting down her guard only leads to heartache. Vincent Reno O'Keefe's life is falling apart. He lives three thousand miles away from his family, dates all the wrong women, is a terrible Catholic, and his fortieth birthday is around the corner. Now, his little sister has announced her engagement and he can't bear to go to the wedding alone. Asking Mona seems like the perfect solution. She's newly single, gorgeous, and in desperate need of a vacation. Mona is eager to see Boston and enjoy one last trip before the baby comes. She can hide a pregnancy for a week, right? Besides, what's the worst that could happen.?.
