Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dive back into this bestselling YOUNG ADULT PARANORMAL SERIES for those who love the romance of Twilight, the quick wit of The Gilmore Girls, the action of Buffy the Vampire Slayer, and the dark humor of Supernatural. Once upon a time, there was a girl who didn't believe in monsters. Until now. Echo Midnight Navarri has reached her seventeenth birthday-- alone. It's been well over a year since her twin, Midnight, slipped from her hand into a ravine shrouded in blue mist deep in the Brazilian jungle. The locals refer to it as the veil. Echo believes it is a nightmare. One that she can't seem to escape. Her parents, world-famous archaeologists, Peter and Alice Navarri, stayed behind after sending Echo to live with her aunt in a rainy little town at the edge of the world known as Port Royal. The search continues, but the mystery remains. Echo continues to dream as the memories of the events leading up to that fateful night start to reveal themselves to her. Piece by piece, bit by bit. Exposing the truth and forcing in the light where once there was only darkness. Despite everything, she's made friends, even a new boy named Asher Tiberious Westbrook the third, a self-proclaimed warlock who doesn't mind that Echo tends to shy away from anyone who wants to be close to her. But she fears intimacy with anyone after losing her sister, especially him. Not Asher. Thorn Vega. A boy whose terrifying secrets may outweigh her own.
