eVision Publishing. Paperback. Condition: New. 66 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. You are extraordinary is the first volume of a series of childrens books called I Am So Fantastic. Is has been developed to raise the self-esteem of children, to increase their consciousness and awareness of their body and to support their potential development. You are extraordinary has already been translated into four languages: English, French, German, and Spanish The key message is: Develop your potential and live what you are: extraordinary. The powerful tool for it, which only humans have, is our capacity of imagination. Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand. Albert Einstein. The American online marketing expert Alex Mandossian says about this book: Alexandra Kleebergs Power Tip 7 is my favorite one in this great book. Learning with enthusiasm is super useful for both kids and their parents because in my experience having childlike curiosity is the key to learning faster, better and on our own terms! This book provides a valuable tool for strengthening self-consciousness and creativity of both children and adults: the mighty tool of fantasy, symbolized by the wand. Or Imagination can achieve everything, as Paracelsus puts it. Right now, scientific research supports the power of imagination for our creativity and our success in life. We can revive our imagination to cope with our everyday life, to relive our past and to shape our future. In this book, the butterfly Sophia Monarch, the wise queen of the world of freedom tells the story of her magnificent transformation. She would like to inspire the young readers, encourage and remind them what they are: extraordinary, wonderful and very special....
