Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Along the highways of Burma there is placed, at regular distances away from the dust of the road, and under the cool shade of a group of trees, a small wooden building called a rest-house, where the weary traveller may rest a while, and allay his thirst and assuage his hunger and fatigue by partaking of the food and water which the kindly inhabitants place there as a religious duty. Along the great highway of life there are such resting places; away from the heat of passion and the dust of disappointment, under the cool and refreshing shade of lowly Wisdom, are the humble, unimposing rest-houses of peace, and the little, almost unnoticed, byways of blessedness, where alone the weary and footsore can find strength and healing.
