Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Duvalier Toutouni (Kreyol-Francais). The book that everybody wants to own is now available for purchase on Amazon from author Bob Lapierre. History is unbiased; otherwise, it is not History. Unpretentiously, Lapierre echoes after some of the genuine historians before him who believed that History is humanistic; hence, he did nothing more but informing. Three years after his successful presentation of the play, Reclaiming Choukoun, at the James L. Knight Center, in downtown, Miami-Dade, his very dear and distinguished friend, Professor Max Manigat, proposed him to write a play about the late Dr. Francois Duvalier, and suggested the thrilling title, Duvalier Toutouni. With great enthusiasm, he assured him that it will be done, but with the language of reason. This is it, Duvalier Toutouni: a remarkable-dramatic piece, 95 truth and only 5 fiction. When questioned about the subject matter, the integrity and the distinctive written style of the book (Closet play), the author simply replied, Steep water runs deep. I want to keep secret the loads of untold anecdotes hidden in this paperback. What else I did not tell you? O! Yeah, the author is a scholar. Remember, the book is a Closet Play: Duvalier Toutouni.
