

Science Detectives (Paperback)

By Mag Yes of Editors

Kids Can Press, Canada, 2006. Paperback. Condition: New. Language: English . Brand New Book. Think science is a bunch of test tubes, microscopes and guys in lab coats? Think again! Science is bursting with far-out but true stories, fascinating puzzles and mind-boggling mysteries. Science Detectives follows fearless and dedicated science sleuths tracking down leads and solving cases all over the world --- in cities and in deserts, deep underground, high in the sky and even in your DNA. Science Detectives includes five fascinating projects to test your science-detection skills.

Reviews

Without doubt, this is the very best work by any writer. Indeed, it can be play, still an amazing and interesting literature. I am just very easily can get a pleasure of reading through a written pdf.

-- **Alda Barton**

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).

-- **Prof. Mark Ratke Jr.**
