Reviews

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).

(Leslie Reinger)

STANLEY I PRESUME? (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2010. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. A rip-roaring and hilarious memoir from Stanley Johnson - father of London mayor Boris Johnson. Stanley's story begins with a loud bang - when his father, an RAF pilot in the Second World War, crash-lands a Wellington bomber in a Devon airfield. A few years later, Stanley's parents buy a sheep farm on nearby Exmoor, where Stanley does much of his growing up. Stanley would keep his links with this much-loved rural idyll throughout his life - while going on to become an explorer, author, occasional politician and also one of the world's first environmentalists. On leaving school in 1958, Stanley travelled alone through South America - hitching rides across the jungle on Brazilian Air Force planes - and shortly afterwards rode a motorcycle 4,000 miles from London to Afghanistan, tracing the route of Marco Polo with two friends. Stanley went on to do various adventurous jobs, before working for the billionaire John D Rockefeller III, the World Bank, the United Nations and the European Union. Stanley married and started a family young - Boris was born in New York when his father was twenty-three - and while Boris would go on to become big news, the family's forbears also provide quite a story, as Stanley finds out. For the Johnson family's roots are not just in the West Country, but in Turkey, too - where, as Stanley discovers, his politician grandfather Ali Kemal was torn to pieces by an angry mob. Stanley visits a Turkish village where the locals are blonde - later he learns that he and Boris are direct descendants of George II. A sparkling raconteur and experienced thriller writer, in Stanley, I Presume? , Stanley Johnson tells great stories...
