ScarecrowEducation, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Web-Based Instruction details ways in which faculty members can design web-based and web-assisted instructional delivery approaches to provide students with the opportunity to learn anytime and anyplace. It stresses the paradigm shift in using technology as an alternative instructional delivery tool but at the same time recognizes that the course design and delivery method must maintain the principles of good teaching practices and academic rigor.
