This stunning collection of occult poems will be enjoyed by everyone and will particularly appeal to those interested in the occult, witchcraft, alchemy, and in pagan mythology. We wanted to write a book for other seekers, but realised we already had one - our record in poetry, of a journey that has taken us from A to B via the four corners of our consciousness. They take inspiration from music, classic literature, mythology and the natural world. They live with Lottie s son and their cat, Schrodinger.
