Not illustrated. 1868 Excerpt: . . . sent to the Tower, in company, on the last day of June, for infringing on the sanctities of the palace. Twelve days afterwards, Grey was sent thither for his alleged design to seize the Sovereign, and to dictate to him, at the head of armed men, conditions of government, --just as Essex would fain have done to Elizabeth two years earlier. The original design for surprising the Court at Greenwich on the night of midsummer day appears to have been abandoned, in favour of another scheme for laying an ambush for the King, on his leaving Hanworth upon some later day. The depositions, when they are collated, are found to present a mere imbroglia of confusion, as to the most material points. Part of this obscurity may doubtless be ascribed to that muddleheadedness which seems to be an ingredient in political conspiracy, the absence of which...

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
