Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The light is a medical, science-fiction thriller. The main characters go through traumatic, medical experiences, of which the peculiar, common denominator seems to be the presence of extraordinary powers and energies. The characters are the branded, chosen ones. The explanation of that might be extremely shocking for the orthodox believers of all religion as well as atheists. Why are the characters no longer interested in all of this? Where are they now?.
