The rule book is for sale under the name Tiny Horsies: The Role Playing Game. Tiny Horsies: The Secret of the Haunted House is an adventure that expands the original game by giving a Horsie Master a guide, a plot, new characters, and maps to run a new adventure through the spooky and mysterious mysteries of an abandoned mansion. The adventure is meant for a small party (2 to 4 players) of levels 1 to 4, although it can be adapted to more players or higher levels easily. The basic premise of the game: Your friend Skip has dared you to spend the night in an old, abandoned house, which is rumored to be haunted by a ghost. You take on the challenge because going to explore an old house is fun, and because ghosts don't really exist, do they? But then, why are there eerie sounds and unexplained events happening in almost every room? In order to play this adventure, the group needs to have at least one copy of Tiny Horsies: The Role Playing Game, published by Relentlessly Creative Books, and be familiar with its rules.
